

On April 5, 2008 K-tech Kleening Systems, Inc. will be hosting **FREE** document destruction/recycling day at its Weston location as a part of Green Saturday's organized by the Commission for a Greener Tomorrow. K-tech and its Document Destruction/Recycling Division are partnering with the Commission for a Greener Tomorrow to bring environmental awareness to our communities.

On Saturday April 5, 2008 from 10 a.m. to 3 p.m. drop off any personal or business documents to be security shredded by K-tech's Document Destruction/Recycling Division for **FREE**. All materials are handled by bonded technicians and are shredded with the utmost confidentiality in the industry by an 8 ton per hour shredder. By shredding sensitive personal and business documents, legal liability is eliminated and recycling requirements are met.

Join K-tech Kleening Systems, Inc. and the Commission for a Greener Tomorrow by taking part in this Green Saturday event. Help make a difference for our environment! See below for further details.
